Dear Michael Gavrilov,

Congratulations on receiving the distinguished **Gold Club Award!** Your exceptional results, leadership, and commitment to delivering customer and partner success represent the very best of Microsoft.

Gold Club winners drive meaningful customer and partner outcomes—delivering measurable business impact and accelerating transformation in a dynamic, AI-driven landscape. You exceed expectations while helping shape the future of our business. This recognition reflects your outstanding contributions, your ability to translate strategy into results, and your focus on continuous learning and adaptability.

Thank you for your passion and dedication in advancing Microsoft's mission to empower every person and every organization on the planet to achieve more.

Sincerely,

A handwritten signature in black ink, reading "Judson".
